Dear Tim

On behalf of Empire Orthodontic Associates I wanted to personally thank you for the fine job which you did in designing our new office in the Westgate Centre. We recently held an open house and we heard nothing but compliments with regards to both the layout and the decor and we certainly want to express our appreciation to you for the fine job that you did. You have now done two offices for us in the last five years and I would certainly not think of having anyone else do our design as we are extremely pleased with the results in both offices. We wanted to express our appreciation for both your creative abilities and for your willingness to compromise to meet our demand in your design. Also we appreciate your willingness to work with our consultants with regard to color schemes etc. and I think everyone is extremely pleased with the final result. As the year draws to a close I just want to take this opportunity to thank you for a job well done and we look forward to a continued relationship with you and Canadian Dental through the upcoming years.

Sincerely,

Lindsay Guthrie, D.D.S., M.S.
