To Whom it May Concern,

RE: Mr. Tim Stensrud

During our recent extensive office expansion and renovations, I was blessed with the good fortune of working intimately with Tim; he is a professional in every sense of the word. Tim was personable, pleasant and patient, while very quietly and efficiently executing his responsibilities under what were at times trying circumstances. As the project progressed, I grew to respect his creativity, knowledge, experience and enthusiasm. I was most impressed and appreciative of his pride in, and passion for his work, and the sincere personal interest he displayed in us as individuals; these are uncommon qualities today. Our total satisfaction with his work would not be the highest compliment; the many positive remarks of our patients and the beauty of the office itself, is. I have no hesitation in recommending Tim for whatever he applies himself to, as it will be a success.

Sincerely yours,

*Amil Shapka*
